ABOUT

LabAsia 2025

The region's premier scientific trade exhibition, LabAsia 2025, is set to unveil its **9th Edition**, poised to become a transformative platform for scientific and laboratory professionals. Organised by Informa Markets Malaysia in collaboration with the Institut Kimia Malaysia (IKM), LabAsia 2025 is set to redefine innovation, collaboration, and knowledge-sharing in the scientific and laboratory sectors.

Set to take place from **14 – 16 July 2025**, the Malaysia International Scientific Instrument and Laboratory Equipment Exhibition and Conference will return to the prestigious **Kuala Lumpur Convention Centre (KLCC)** in Malaysia. LabAsia 2025 will bring together industry leaders, cutting-edge technologies, and groundbreaking research, making it an unmissable event for professionals seeking to stay ahead in the ever-evolving world of science and technology.

This year, we anticipate welcoming thousands of attendees from across the globe, all eager to **explore the latest advancements in laboratory technologies, analysis, diagnostics, and research methodologies**. In addition to these exciting offerings, LabAsia 2025 will serve as a hub of opportunities for attendees. Attendees can look forward to engaging in **insightful technical seminars** designed to deepen understanding and drive innovation in the laboratory sector.

The LabAsia 2025 Show Preview is your first step to discovering the full potential of what lies ahead in this trade show. Prepare to immerse yourself in a realm of knowledge, networking, and innovation.

**YOUR JOURNEY
TO LABASIA 2025
BEGINS NOW.**

WHAT CAN YOU EXPECT AT LabAsia 2025

Networking Opportunities

Connect with a global community of key decision-makers, industry stakeholders, and potential partners to forge strategic partnerships and expand your network.

International Exposure

Enhance your visibility and reputation in the industry by showcasing your brand on an international stage to exhibitors and visitors from around the world.

Comprehensive Solutions

Learn from renowned speakers and thought leaders about the latest trends, developments, and innovations in the industry to gain a competitive edge.

Market Expansion

Discover new products, technologies, and opportunities that can help you explore and enter new markets for your business growth.

Lead Generation

Collect valuable insights and information through interactive demos, trials, and incentives to explore potential opportunities and leads.

Commitment to Sustainability

Shaping the Future of Laboratories with Sustainable Solutions and Innovations

EVENT HIGHLIGHTS

Make the most of this unique opportunity to **forge valuable connections** that can propel your business forward in the ever-evolving landscape of LabAsia 2025.

BUSINESS MATCHING

Connecting Businesses for Collaborative Success

The **Business Matching Programme** at LabAsia 2025 offers a premier platform for strategic partnerships between buyers and suppliers. Designed to facilitate essential interactions, this programme empowers participants to cultivate impactful relationships that drive business success.

With representation from several prestigious international countries, including **China, India, Singapore, Switzerland, Korea, Germany, and the UAE**, this event provides a unique platform for fostering targeted and impactful connections with global exhibitors. Each participating country showcases a diverse array of **cutting-edge technologies, innovative solutions, and specialized expertise**, reflecting the unique strengths and market dynamics of their regions.

Whether you're looking to identify new suppliers, uncover distribution opportunities, or forge strategic partnerships, the **LabAsia Business Matching Programme** creates a focused environment to connect with a curated network of **trade buyers, distributors, and key decision-makers**. This tailored platform is designed to help you **expand your market presence, elevate brand visibility, and unlock new avenues for business growth**.

INTERNATIONAL UNION OF PURE AND APPLIED CHEMISTRY (IUPAC) 2025

This year, the **International Union of Pure and Applied Chemistry (IUPAC)** will run concurrently with LabAsia 2025. Hosted by **Institut Kimia Malaysia (IKM)**, this prestigious event will feature two major components, the **53rd IUPAC General Assembly (53GA)** and the **50th World Chemistry Congress (50WCC)**, along with various side events, drawing over **3,000 delegates** from around the world. This is the **first** occasion that these significant chemistry events are being held in an **ASEAN country**, generating excitement and enthusiasm among the regional chemistry community.

The theme for IUPAC 2025, "**Chemistry for a Sustainable Future**", reflects our dedication to address global sustainability challenges through the lens of chemistry. Participants can look forward to a diverse range of scientific sessions covering multiple disciplines. A special focus will be on symposia dedicated to "Chemistry and the Sustainable Development Goals (SDGs)," highlighting how chemistry can provide innovative solutions to these critical issues.

In conjunction with the **50th edition of the biennial World Chemistry Congress**, we will also honour "**100 Years of Excellence in Chemistry Research and Innovations**." The Congress will feature themed symposia on vital topics, including gender equity, diversity and inclusion, professionalism and ethics, young chemists' networks, world chemistry leaderships programmes, and emerging technologies in the field.

SEMINAR HIGHLIGHTS

"The seminar schedules are not final and will be updated with more details and sessions later."

SEMINAR HIGHLIGHTS

"The seminar schedules are not final and will be updated with more details and sessions later."

MONDAY, 14TH JULY 2025

TECHNICAL SEMINAR | Room 1

10:30 AM - 11:15 AM

From Standards, Safety, to Sustainability: Strengthening Your Lab Compliance & Workflow Efficiency

Khu Tung Mei
Quality Control Lab Analyst
MERCK Sdn Bhd

11:30 AM - 12:15 PM

From Risk to Resilience: How Automation in Food Microbiology Testing Safeguards Your Supply Chain

Dr. Sugendran
Professional Service Manager
Era Bumi Sains Sdn Bhd

15:00 PM - 15:45 PM

Elemental Analysis of Biodiesel (FAME) with High Resolution Array ICP-OES

Chawanrut Wattanawiboon
Senior Application Chemist
Lab Science Solution

Hospitality Lounge 5 | Hall 5

TECHNICAL SEMINAR | Room 2

10:30 AM - 11:15 AM

From Bench to Breakthroughs by VELP Products

Angeline Tan
Senior Business Development
SEA Pacific / VELP Scientifica Srl
PLT Scientific Sdn Bhd

11:30 AM - 12:15 PM

Advanced Strategies for Improving Productivity in Microbial Detection as Part of Food Safety

Angel "Jun" Barnes, Jr.
Regional Customer Education Manager
for Neogen Asia-Pacific
Empire Bioscience Sdn Bhd

15:00 PM - 15:45 PM

Microstructure-Flow Relationship: Rheological Properties Associated with Particle Size & Shape

Jonathan Wong
Regional Application & Product Specialist
Anton Paar Malaysia Sdn Bhd

Hospitality Lounge 4 - Hall 4

TECHNICAL SEMINAR | Room 3

10:30 AM - 11:15 AM

Custom Standards for Laboratory Solutions

Kshitish Shukla
Regional Sales and Business Development
Manager - APAC Inorganic Ventures

11:30 AM - 12:15 PM

Proficiency Testing (PT) - Maximize Benefits of Participation

Mr Dominic Hasson
Business Development Manager
(Axio Proficiency Testing)
Premier Diagnostics Sdn Bhd

14:00 PM - 14:45 PM

Formulation and Chemical Reactions with Benchtop Reactors

Khaviraj Shekar
Product Specialist
IKA Works (Asia) Sdn Bhd

15:00 PM - 15:45 PM

Altrace EDXRF: A Rapid and Reliable Solution for Trace Element Screening in Food, Cosmetics, Soil Applications and other Chemicals Ingredients

Mr Tan Teck Beng
Product Manager
Shimadzu Malaysia Sdn Bhd

Kiosk 4 - Hall 4

SEMINAR HIGHLIGHTS

"The seminar schedules are not final and will be updated with more details and sessions later."

TUESDAY, 15TH JULY 2025

TECHNICAL SEMINAR | Room 1

10:30 AM - 11:15 AM

TOC/TNb Analysis in Wastewater and Natural Water Monitoring

Dr. Rodtichoti Wannapob

Product Specialist EA/TOC
Lab Science Solution

11:30 AM - 12:15 PM

LabWare LIMS and ELN: Driving Efficiency and Innovation

Chamnong Ingsathit

Labware Asean Sales Manager
Inno Lab Engineering Sdn Bhd

15:00 PM - 15:45 PM

The Revolution for Enhancing Laboratory Workspace

Mr. TS Lau

Technical Director - Asia Pacific Region
IMT Gruppe GmbH & Co. KG

Hospitality Lounge 5 | Hall 5

TECHNICAL SEMINAR | Room 2

10:30 AM - 11:15 AM

Best Practice for Microwave Sample Preparation - Examples and Challenges

Dr. Christian Trampitsch

Product Competence
Anton Paar Malaysia Sdn Bhd

11:30 AM - 12:15 PM

Protecting Sample Quality with Temperature Monitoring Solutions

Muhamad Fadly Shah Noor Effendy

Senior Technical Application Specialist
FC-Bios Sdn Bhd

14:00 PM - 14:45 PM

Reactive Extrusion Processes with the Planetary Roller Extruder, a Customised Solution for Any Challenge

Frank Fuchs

Sales Director
Ant Spirits Sdn Bhd

15:00 PM - 15:45 PM

New Standard in Analytical Performance & Simplicity for Laboratory TOC analysis

Sumeet Sachdeva

Application Development Manager
Hach Malaysia Sdn Bhd

16:00 PM - 16:45 PM

Rapid Detection Methods for Bacillus cereus in Food Safety Testing

Ms. Wan Li Ting

Laboratory Manager
Perfect Laboratory (M) Sdn Bhd

Hospitality Lounge 4 - Hall 4

TECHNICAL SEMINAR | Room 3

11:30 AM - 12:15 PM

Future-Proofing Diagnostic Testing: Current Trends in Quality Control

Manida Chap Kiau

Technical Support Manager
Arachem (M) Sdn Bhd

15:00 PM - 15:45 PM

Advanced Surface and Microanalysis: Exploring XPS and EPMA for Elemental and Chemical Characterization

Mr Tan Teck Beng

Product Manager
Shimadzu Malaysia Sdn Bhd

16:00 PM - 16:45 PM

Best Practices for Chemical Storage in Laboratory

Franklin Martin

Area Sales Manager for SEA
Nexus Analytics Sdn Bhd

Kiosk 4 - Hall 4

SEMINAR HIGHLIGHTS

"The seminar schedules are not final and will be updated with more details and sessions later."

WEDNESDAY, 16TH JULY 2025

TECHNICAL SEMINAR | Room 1

10:30 AM - 11:15 AM

Challenges and Solutions in Daily Viscosity Testing Workflows

Ms. Claresta Lim

Product Manager – Viscometers
IKA Works (Asia) Sdn Bhd

11:30 AM - 12:15 PM

Connected Loggers with Saveris 2

Mohamad Faris Hashim

Application Specialist, Food | Pharma
Testo SMI Sdn Bhd
Muser APAC Sdn Bhd

14:00 PM - 14:45 PM

Introduction of Analytical Standard and Certified Reference Material (CRM) for Elemental Analysis, PFAS, Nitrosamine, Pesticide Residue, Quantitative NMR (qNMR), etc.

Toru Miura

Manager (Head of Reference Material Group)
FUJIFILM Wako Pure Chemical Corporation

TECHNICAL SEMINAR | Room 2

16:00 PM - 16:45 PM

Understanding Recycled Plastics with Thermal and Rheological Analysis

Dr.-Ing. Natalie Rudolph

Division Manager Polymer at NETZSCH
Analyzing & Testing
Nexus Analytical Sdn Bhd

16:00 PM - 16:45 PM

Achieving Lab Excellence: A Comprehensive Guide

P.S. Ng

Technical Director
GT Instruments Sdn Bhd

Hospitality Lounge 4 - Hall 4

TECHNICAL SEMINAR | Room 3

10:30 AM - 11:15 AM

Enhancing Lab Efficiency Through Micropipette Maintenance and Calibration

Sharifah

Trainer
Metcal Technologies (M) Sdn Bhd

11:30 AM - 12:15 PM

Precision and Clarity: Exploring PCR Tools and Imaging Innovations for Western Blotting

Dr. Arcana Thirumorthy

Head of Division (Life Sciences)
PLT Scientific Sdn Bhd

14:00 PM - 14:45 PM

Maximizing Freezer, Centrifuge & Autoclave Performances by Preventive Maintenance and Calibration

Sharifah

Trainer
Metcal Technologies (M) Sdn Bhd

Kiosk 4 - Hall 4
